PUBLIC PROFESSIONAL PROFILE / RESEARCH BRIEF

Sir Sahibzada Hammad

Accounting educator | O Level Accounting | Pakistan

Research compiled: 4 November 2026 **Scope:** Publicly accessible professional information and user-provided profile links.

Executive summary

Sir Sahibzada Hammad is identified in publicly accessible sources as an **O Level Accounting tutor**. An online formula booklet bears his name and the teaching label **“The Accounting Wizard”**. A 2025 student discussion about Karachi-based O Level teachers also includes a recommendation for him. These sources support a basic professional profile; they do not independently establish his academic degrees, institutions, teaching tenure or results. [1][2]

At a glance

Public name	Sir Sahibzada Hammad
Teaching subject	O Level Accounting [1][2]
Teaching label	“The Accounting Wizard,” as printed on an attributed formula booklet [1]
Regional association	Karachi context in a public student discussion; actual teaching location not independently confirmed [2]
Public material	O Level Accounts formula booklet credited to Sahibzada Hammad [1]
Social profiles	Instagram and Facebook links supplied for this research; their contents were not accessible for independent inspection [3][4]

Reading the evidence
“Documented” means the cited public page directly displays the fact. “User-supplied” means the profile link was provided for this dossier but its contents could not be checked. Anything else is explicitly marked unverified.

01 EDUCATIONAL MATERIALS

Published study resource

The strongest public professional artifact located is a Studocu-hosted O Level Accounts formula booklet credited to Sahibzada Hammad. Its preview carries the name “SAHIBZADA HAMMAD” and “The Accounting Wizard.” [1]

Core areas visible in the booklet

01 Provision for doubtful debts and irrecoverable debts

02 Depreciation, accumulated depreciation and asset disposal

03 Accruals, prepayments and adjustments

04 Sole-trader income statements and financial position

05 Partnership appropriations, current accounts and profit-sharing

06 Manufacturing accounts and cost of production

07 Profitability and liquidity ratios, including turnover measures

08 Purchases and sales ledger control accounts

09 Errors, suspense accounts and correction entries

Instructional observations

The visible booklet combines accounting formats, journal entries, formulas and short Roman Urdu explanatory notes. This suggests an emphasis on accessible revision materials, but **does not verify** his classroom teaching style, delivery methods, student outcomes or current course offerings. [1]

Metadata clarification
Studocu categorizes the uploaded resource under “Alpha College,” “A level Computer Science (9618)” and “2023/2024.” These are document-hosting/course metadata, **not evidence** that Sir Hammad studied, worked or taught at Alpha College.

Independent student mention

Source: r/Olevels community discussion on O Level teachers in Karachi, dated **12 August 2025**. A participant recommended “Sir Adeel paperwala/ Sahibzada Hammad” for Accounting and suggested trying a Sahibzada Hammad demo class. [2]

How much weight should the recommendation carry?
It is one anonymous community comment, not an audited testimonial. The suggestion to try a demo class is **not proof** that demo sessions are offered today. The discussion does not establish rankings, an A/A* pass rate, or formal credentials.

Research limitations

- Instagram and Facebook restricted direct automated access during this review; therefore follower counts, bios, contact details, class announcements, reviews and media were **not verified**.
- No verified official website, YouTube channel, TikTok profile, LinkedIn page or business listing could be attributed to this exact educator from the searches reviewed.
- Profiles belonging to similarly named individuals were deliberately excluded to avoid mixing identities.
